## AGREEMENT TO SUBMIT A PLAN TO LAFCO TO FORM A NEW COMMUNITY SERVICE DISTRICT AS THE SUCCESSOR TO THE ODD FELLOWS SIERRA RECREATION ASSOCIATION AND TO TRANSFER CERTAIN ASSETS TO SUCH COMMUNITY SERVICES DISTRICT

#### LO.O.F. Odd Fellows Sierra Camp and Recreation Association Background

#### The Recreation Association

ODD FELLOWS SIERRA RECREATION ASSOCIATION ("<u>Recreation Association</u>") is a California corporation formed on January 19, 1949.

#### The Park

Recreation Association is the legal owner of certain real property and related rights within certain subdivisions in Tuolumne County, California known as I.O.O.F. Odd Fellows Sierra Camp Subdivision No. 1 and I.O.O.F. Odd Fellows Sierra Camp Subdivision No. 2 (collectively, the "<u>Park</u>"), including, without limitation, the real property on which the following improvements are located: (i) roads/streets, (ii) wells for the supply of water; (iii) recreation hall, and (iv) lake, picnic area, baseball field and playground. The Park consists of 364 separate lots owned by third parties as set forth in the original maps recorded for Park. Recreation Association is also the owner of one lot within the Park and a proposed Parcel "A" as shown on the Lot Line Adjustment Exhibit dated October 25, 2011 approved the Tuolumne County Surveyor on May 25, 2012 as Tentative Map Number 11T-032, (the "Camp Cedar Brook Parcel"). The Recreation Association also owns certain other real property which is adjacent to the Park (but is outside the Park boundary).

#### The Water Agreement

On or around October 12, 1986, Recreation Association and ODD FELLOWS SIERRA HOMEOWNERS' ASSOCIATION ("<u>Homeowners' Association</u>") entered into that certain Water Use Agreement (the "<u>Water Agreement</u>"), pursuant to which, among other things, Recreation Association agreed to provide water to Homeowners' Association on a wholesale basis provided that Homeowners' Association pay for all expenses associated with the provision of such water. The term of the Water Agreement expired on January 10, 2012.

The water supplied to the Homeowners' Association through May 31, 2012 under the Water Agreement was provided by three (3) water wells located within the Park boundary on property owned by the Recreation Association. Water from such wells is piped to six (6) water storage tanks that are located on certain real property owned by the Recreation Association <u>outside</u> the Park boundary.

#### The License Agreement

As set forth above, Recreation Association owns the streets and roads within the Park. On or around October 12, 1986, Recreation Association and Homeowners' Association also entered into that certain License Agreement (the "License Agreement"), pursuant to which, among other things, Recreation Association agreed to permit Homeowners' Association to use the streets and roads owned by Recreation Association within the Park for access purposes and agreed maintain

such streets and roads provided that Homeowners' Association pay for all expenses associated therewith as a license fee. The term of the License Agreement expired on January 10, 2012.

#### The Other Agreements

Between October 12, 1986 and May 31, 2011, Recreation Association and Homeowners' Association also entered into various other agreements pursuant to which, among other things, Recreation Association agreed to provide the following services or improve and provide use of certain areas of the Park: access gate maintenance and repair; pine needle disposal; improvement and use (and maintenance and repair (as applicable)) of lake, recreation hall, picnic area, baseball field, playground, and other similar types of areas on the Park; maintenance and repair of vehicles used in connection with the foregoing; services of an onsite caretaker to assist in providing the aforementioned services; and certain other services (the "<u>Other Agreements</u>"). The Other Agreements required that Homeowners' Association pay for all expenses associated with the provision of such services. The parties agreed that the term of the Other Agreements would expire upon expiration of the Water Agreement and the License Agreement.

Expiration of Water Agreement, License Agreement and Other Agreements

The Water Agreement, License Agreement and Other Agreements expired on January 10, 2012.

#### Administration

The Recreation Association is governed by a nine (9) person board of directors elected by the shareholders of the Recreation Association. The board of directors of the Recreation Association elects officers for the Recreation Association who are responsible for the day to day operations of the Recreation Association. The Recreation Association has one (1) employee (a caretaker for the Park) that works under the guidance of the President of the Recreation Association.

The Recreation Association authorizes and approves all expenses. A certified public accountant firm writes all checks, balances bank and investment statements and Recreation Association approves all financial/administrative work. Audits are performed as needed.

#### **Outstanding Indebtedness**

The Recreation Association has no long term debt.

#### Income

The Recreation Association's income has historically been derived from the fees paid by the Homeowners' Association pursuant to the Water Agreement, the License Agreement and the Other Agreements.

#### Laws and Regulations

Recreation Association is a California for-profit corporation and operates under the laws of the State of California applicable to for-profit corporations.

#### Determination

The services provided to the property owners within the Park by Sierra Park Community Services District will remain the same as existing services. The costs for the services provided to the property owners within the Park may or may not increase under Sierra Park Community Services District.

## Proposed Sierra Park Community Services District

The Recreation Association proposes that Sierra Park Community Services District ("<u>SPCSD</u>") would operate as a independent Community Services District pursuant to *Section 61000, et seq. of the Government Code.* 

## Administration

The Recreation Association proposes that SPCSD would be managed by a new board of directors, which would consist of five (5) members, elected by eligible property owners within the Park at an annual meeting of eligible property owners held in May of each year. An interim board of directors (which will serve until the first meeting of the eligible property owners of the Park (which will be held in May 2013)) will be appointed by the Recreation Association from the members of the Recreation Association's Ad Hoc Committee for CSD Formation and current members of the Recreation Association's board of directors.

#### Operation

SPCSD would provide the property owners of the Park with water through the water system located within the Park, maintain and repair such water system, maintain and repair the streets, roads and related improvements within the Park, remove snow from such roads and streets, operate and maintain the gate to the Park, dispose of refuse and pine needles, improve, maintain and repair certain areas/facilities with the Park (e.g., recreation hall, lake, picnic area, baseball field, playground, etc.) and related services.

SPCSD's may be reached through:

Sierra Park Community Services District P.O. Box 116 Long Barn, CA 95335

#### **Budgetary Needs**

The overall cost for services to be provided by SPCSD to the property owners of the Park should essentially be the same as the costs incurred by the Recreation Association in previously providing the aforementioned services to the Homeowners' Association (other than any costs for the management of SPCSD). SPCSD's budget would therefore initially be approximately equal to the current Recreation Association budget for providing such services to the Homeowner's Association. The Recreation Association estimates that the financial needs of the SPCSD for fiscal year 2012-2013 (June 1 to May 31) will be approximately \$372,736.00 which will be paid by assessments paid by the property owners of the Park. Total income for fiscal year 2012-2013 is therefore anticipated to be \$372,736.00.

#### Determination

The board and shareholders of the Recreation Association have resolved to transfer the Assets to be Transferred (as hereinafter defined) to SPCSD as hereinafter set forth.

## NOW THEREFORE, ODD FELLOWS SIERRA RECREATION ASSOCIATION Agrees as follows:

The Recreation Association's Board of Directors shall adopt a resolution to submit and shall submit to the LAFCO an application for reorganization (under the *Cortese-Knox Local Government Reorganization Act of 1985 Government Code Sections 56000-57500*), to transfer the Assets to be Transferred and form a new community services district pursuant to *Section 61000, et seq. of the Government Code* subject to approval by LAFCO.

#### Ratification of New Community Services District

SPCSD shall be established as a Landowner-Voter District, and SPCSD's formation shall be ratified by a majority vote of all eligible property owners within the Park (one vote per lot).

#### Transfer of Certain Assets to and Assumption of Certain Liabilities by SPCSD

The terms and conditions of such reorganization shall provide that the Recreation Association shall transfer to SPCSD all real property located within the Park that is owned by the Recreation Association together with all improvements and fixtures located thereon (collectively, the "<u>Assets to Be Transferred</u>") *excepting only*, 25418 Wheeler Road, Long Barn, California (a/k/a Lot 67, Block 21 of the Park) (APN 031-064-10) ("<u>Caretaker's Lot</u>") and proposed Parcel "A" as shown on the Lot Line Adjustment Exhibit dated October 25, 2011 approved the Tuolumne County Surveyor on May 25, 2012 as Tentative Map Number 11T-032 (the "<u>Camp Cedarbrook Parcel</u>") of the Park which are currently owned by the Recreation Association. The Recreation Association will retain an easement over the streets and roads of the Park for ingress and egress and removal of timber from certain real property adjacent to the Park owned by the Recreation Hall in the Park free of charge at any time upon notice to SPCSD. The Assets to Be Transferred will *not* include any other real property owned by the Recreation Association, including, but not limited to, certain other real property owned by the Recreation Association adjacent to the Park (commonly referred to as the "Timber Land" and "Camp Cedarbrook").

Along with the Assets to Be Transferred as set forth above, those certain water tanks and water lines located on certain other real property owned by the Recreation Association adjacent to the Park will be transferred to SPCSD together with an easement to maintain, repair and replace such water tanks and water lines. The transfer of the water tanks and water lines will *not* include the transfer of ownership of the real property on which said water tanks and water lines are located.

SPCSD will be required to assume all liabilities of the Recreation Association related to the provision of water to the property owners of the Park through the water system located within the Park, maintenance and repair such water system, maintenance and repair the streets, roads and related improvements within the Park, removal of snow from such roads and streets, operation and maintenance of the gate to the Park, disposal of refuse and pine needles, improvement, maintenance and repair of certain areas/facilities within the Park (e.g., recreation hall, lake, picnic area, baseball field , playground, etc.) and related services (the "Liabilities to Be Assumed").

The transfer of the Assets to be Transferred by the Recreation Association to SPCSD shall be for no consideration other than assumption of the Liabilities to Be Assumed as referenced above.

LAFCO's approval of SPCSD as a new community service district may be conditioned upon

completion of the transfer of the Assets to be Transferred to SPCSD, assumption of the Liabilities to be Assumed by SPCSD and the grant of the other easements and other rights set forth herein. The Recreation Association agrees to cooperate with and to assist SPCSD with the foregoing to assure that the objectives of this Agreement are carried out and achieved.

#### **Boundaries**

The boundaries of SPCSD shall include the Park (as shown in Book of Maps Volume 10 at Pages 44-48 and Book of Maps Volume 14 at Page 99 in the Office of the Tuolumne County Recorder and any Lot Line Adjustments, Re-Subdivisions, Parcel Mergers or Land Divisions that have been created subsequent to said plats) as shown and described in the public record.

<u>Transfer of Tax Revenues</u> (*Gov. Code Section 56842*) Not applicable.

<u>Gann Appropriations Limit of New</u> District (*Gov. Code Section 56842.5*) LAFCO will determine the Gann limit if applicable

## Plan to Provide Services
