Your corporation filed exempt organization Form 199, for the income year shown above. However, our records indicate that your corporation is not exempt from the franchise tax.

If your corporation wants an exemption from the franchise tax, complete Form 3500, enclosed, and submit the form to this department. We will determine whether or not your corporation qualifies for exempt status.

If you have documentation which proves that your corporation already has California exempt status, please attach a copy of your documentation to the copy of this letter and return both within 30 days.

If no response is received within 30 days, a notice of proposed assessment will be issued without further notification for approximately \$300.00 tax plus penalties and interest.

Thank you.
