Dear Sir:

This lodge has not been in existence very long. We are now beginning to build up a little savings for what we hope will eventually be a building fund. We are also in the process of incorporating. The bank that holds our funds needs to know our tax identification number that you may cross check on us at incometax time.

Please issue a tax identification number for us. Please inform us as to what other steps are necessary to keep from crossing the income tax agencies.

Yours truly,

Wm. L. Kilgore, Secretary

When you formally incorporate through the Office of the Secretary of State you will receive a "corporate number". That number is also (or will be) your state income tax number.

For a state employee identification number, please contact the State Board of Equalization, 1020 N St, Sacto, Ca 95814 or the Department of Employment, 800 Capitol Mall, Sacto, Ca 95814.

If we may be of further assistance, please contact us.
