

560 Lines License Plate Camera

Built-in HSBLC & Digitized Masking

in focus...

- ◆ 1/3" Sony Super HAD CCD (ICX408AK)
- ◆ 560 Lines Resolution 0.0001 Lux @ F1.3
- ◆ Built-in Highlight Suppression BLC (HSBLC)
- ◆ Built-in OSD, Digital WDR w/ Sens-up 128X
- ◆ Digital Pan, Tilt, Zoom (256X) & DNR
- ◆ RS-485 Protocol for OSD Adjustments
- ◆ 12VDC or 24VAC 220mA Dual Voltage

The CPC4060LP uses the latest technology for capturing license plates. The HSBLC will enhance the capability of capturing license plate numbers while covering the headlights/taillights with a digitized masking feature. The CPC4060LP is perfect for most day or night applications and the built-in OSD makes it easy to adjust the settings.
