Features

This super, time-saving, lens will both save you time and money. Instead of carrying and stocking multiple lenses for your next CCTV installation, use this precision-crafted varifocal auto-iris lens-and setup will be a breeze. With the added features of a DC auto-iris, this lens can automatically adjust for the perfect setting for your lighting conditions. This LNS0550A1 has a F1.7 aperture.

- DC Auto-Iris Lenses
- 63° to 6.9° Field of View
- Made for 1/3" Format CS-Mount Cameras
