TERMS: (1) Sometimes one service call does not resolve a specific problem(s) due to defective equipment (requiring removal on one trip, another trip to reinstall and test), intermittent alarm problems not present or which cannot be duplicated when our serviceman is at your premise, or several problems in the system which on first visit could not totally resolve the situation for whatever reason. Charge will be made and paid for EACH labor service callout and we cannot warrant solution to all alarm problems on one service callout for reasons given above and other reasons beyond our control. (2) Repaired or replacement parts or equipment is warranted for 90 days (or if under original warranty, that warranty, whichever is longer). (3) Billing charges beyond the, minimum one (1) hour charge is in increments of 15 minutes only. (4) Time "in" and Time "out" recorded by our service man will be billed and paid per that time recordation only. It is up to the customer to audit and question these entries at the time our serviceman is at your premise. We cannot alter or change these time entries after the serviceman has left your premise, which entries are used for bill calculation, if applicable.

MOUNTAIN ALARM (MA) LIABILITY: MA does not represent nor warrant that alarm system as repaired may not be compromised nor circumvented, that the system as repaired or installed will prevent any loss by burglary, holdup, fire or otherwise, or that the system will in all cases provide the protection for which it is installed or intended. MA shall not be liable for any loss or damage caused to person or property of purchaser or the person or property of others which shall be caused by any damage which the system is designed to avert or protect against. From the nature of the system repaired, it is impractical and extremely difficult to fix the actual damage if any, which may proximately result from the failure of the system to operate or upon the failure of MA to perform any of its obligations which a resulting loss to the owner. In the event MA shall be found liable for loss or damage due to a failure on the part of MA or the alarm system in any respect, the liability or MA shall be limited to the sum of the service call, pursuant to this statement, as liquidated damages and not as a penalty, and this liability shall be exclusive.
