

ODD FELLOW SIERRA PARK

ODD FELLOW SIERRA PARK

Question What is the Odd Fellow Sierra Park?

The Odd Fellow Sierra Park is about 600 acres beautifully timbered land with a large meadow and year around creek running through it with a 100 acres subdivision about the meadow.

Question Where is the Park located?

Answer The Park is 17 miles east of Sonora and 2 miles west of Long Barn on Highway 108, elevation 4500 feet. A sign on the highway marks the entrance to the Park.

Question Who owns the Park?

Answer The Odd Fellow Sierra Recreation Association, a non profit corporation, owns the park. This Association is made up of Odd Fellows and Rebekahs who own an interest in the Association.

Question Who manages the Park?

Answer An elected board of nine directors serving 3 year terms operating under the by laws of the Association with officers President, Vice-President and Sec.-Treas. elected from the board each year.

Question Who may become a member of the Association?

Answer A member in good standing of any subordinate or Rebekah lodge by the purchase of one building site and will be entitled to one vote in the Association.

Question Is the Park a resort or commercial enterprise?

Answer No. It is for Odd Fellows and Rebekahs interested in mountain recreation.

Question What developments are there?

Answer Electric power by the P.G. & E. available to each lot. Telephone service available to each lot. Access roads to each lot. Hard surface road from highway to the meadow. Water available to each lot; water is owned and controlled by the members of the Association.

Question What about the recreation?

Answer The Park is in the heart of good fishing and hunting territory. A camping and picnic area is available to all members of the order and their families.

Hard surface area for volley ball, badminton, dancing, etc. There is a two acre lake in the meadow for swimming.

A few miles east of the Park is the fine Dodge Ridge ski resort.

A large Recreation Hall built by the members is available for social and fraternal use.

Question How can you own a lot and have a cabin in the Odd Fellows Sierra Park?

Answer \$750 will purchase a lot of your choice either by easy time payments or for cash. Yearly expenses—association fees \$12 per year, water \$12 per year. Taxes paid to county.

Question To whom should I contact for a lot?

R. C. Rhein, Secretary-Treasurer, 1121—15th Street, Modesto, California.
