Hello,

We wanted to let you know that we will be having a meeting with the California State Water Board and we are inviting all of our customers to participate in the meeting. The meeting will occur on January 30, 2018 at 10:30 am and will be held at the Recreation Hall/Lodge.

We realize that many of our customers live outside the park. We are offering a conference call phone line that anyone can use to participate in the meeting by telephone. The phone number to access the conference call is 720-279-0026. Once you call in you will be asked for an access code. The code you need to enter is 641837#.

The California Water Board will be providing a report on the status of our system based on a sanitary survey which was done on November 14, 2017. They will also be providing information regarding how water breaks needs to handled by both SPWC and our customers.

Thanks
Wanda Lenhardt
