

RESOLUTION

The Odd Fellows Sierra Park, having for its major problem in the spring of 1954 the installation of the water system, and since said water system is of the utmost importance for the convenience and happiness of the members and visitors of the Park, and due to the importance of the water, the Construction Committee with the help of a group of loyal employees rushed to completion the construction of said system, therefor be it Resolved:

We the Board of Directors of the Odd Fellows Sierra Park, for and in behalf of the members of the Association which we represent, give the Construction Committee and all the employees and members of the Association who worked so hard and diligently to complete the construction of our water system our most sincere vote of thanks.

Presented by Herbert M. Kearns,
Member of the Board of Directors,
