SIERRA PARK NEWS FOR DECEMBER 1991

SIERRA PARK LODGE #376 Odd Fellows meetings are held the 2nd & 4th Sat. of each month at 7 PM in the Rec. Hall, except that the meeting will be held at 6:00 PM whenever there is a pot luck scheduled in the Rec. Hall. We read three more applications at our meeting of Dec. 14 at 8:00 PM. We also decided to install with Sonora Lodge #10 on January 18, 1992 at 8:00 PM. Save this date. Let's get as many out as possible to install with the new officers.

WEATHER - We are still looking for snow. The new truck has arrived and awaiting the first honest-to-goodness snow fall. Of course the temperature has been around 30 each night; the lake has been frozen over each morning. Imagine what that can do to the inside of your place if your water is not turned off and pipes drained!!

BURN AREA - If more than "wood products" are put in the burn area we are in danger of losing the privilege of a burn area. It is essential that all conform to this rule.

AD_HOC_COMMITTEE - The Ad Hoc Committee is meeting. If any member has suggestions, please contact Jim Clifton either at 586-4451 or P.O. Box 116, Long Barn, CA 95335-0116.

BOARD_POLICY_ON_GARBAGE - We have had a letter from the garbage company that is published to the membership in this issue. Please take it to heart and see that any renters do also. Let's keep the garbage situation as best we can by all cooperating.

HOLIDAY_DINNERS - Our annual Christmas Dinner was a big success. Some of the children made decorations and put them up. Everyone brought more food than we could eat. Best of all was the entertainment: Mr. & Mrs. Freitas brought their keyboard and accordion. They played a number of songs for those assembled to sing. Although some drifted off little by little, many stayed for a while singing various songs - mostly Christmas songs. Those who did not attend missed an enjoyable evening, although there was not room for many more in the hall.

See you next month.....Sierra Sue
