SIERRA PARK NEWS FOR FEBRUARY 1991

SIERRA PARK LODGE #376 Odd Fellows meetings are held the 2nd & 4th Sat. of each month at 7 PM in the Rec. Hall, except that the meeting will be held at 6:00 PM whenever there is a pot luck scheduled in the Rec. Hall. We will probably have a spaghetti dinner the Saturday night before the annual meeting; watch for further details next month.

POT-LUCK - Our Valentine Pot-luck was well attended and enjoyed by all. Many of us got acquainted with new owners in the park. Watch the bulletin board by the Rec. Hall for the next pot-luck.

WEATHER-We have had warm sunny days and cool nights. NO RAIN to speak of so be very conservative with water so that we do not run out here in our park. Owners: Please inform your renters of the situation.

REMINDERS: 1. Clear your lots of pine needles early this year. Due to the fifth year of drought and high fire danger, the burn area will be closed early this year. 2. Our trees are very dry; so be careful when dumping coals from your wood stoves. 3. If we don't get more rain soon our water will be in short supply, so use it sparingly.

POT-LUCK - Our next pot-luck will be on April 13, 1991 at 6:30 PM. Lets all come and have as big an attendance as we had on the last one. Bring a hot dish, salad, or dessert to serve 12 plus your own table service.

WEATHER-We are finally getting our winter weather. We have lots of snow so bring chains for your car and be sure to winterize your cabin when you leave. We are in a drought situation so we don't need to waste water through broken pipes. Please conserve water.

RECREATION-We will have our fish derby and barbecue on Father's Day. Mark June 16, 1991 on your calendar and come to the park with your young children or grandchildren and enjoy yourself.

REMINDERS: 1. Our annual meeting will be on May 26, 1991. All members should attend and vote for your new board members.  
2. As soon as the snow clears, get your needles hauled to the burn area. It is highly probable that the forestry service will close the burn area early this year due to dry weather conditions.

See you next month.....Sierra Sue
