SIERRA PARK NEWS FOR MARCH 1996

SIERRA PARK LODGE #376 Odd Fellows meetings are held the 2nd & 4th Sat. of each month at 7 PM in the Rec. Hall. We have four more applications to take care of. We will probably have an initiation in May.

RECREATION - The St. Patrick's Day dinner was the usual success. Due to bad weather we were afraid that the attendance would be slight.

However, 62 persons showed up at the last minutes to enjoy the feast. The next scheduled event is the annual spaghetti dinner put on by the Odd Fellows Lodge on the evening before the annual meeting. Those events will be Memorial Day Weekend. Watch for notice next month.

RECYCLING CENTER - is still open - Please make use of it since it does cut down on our garbage bill.

WEATHER - Winter weather is still here. We are having the edge of snow this week. If you plan to come here soon be sure to check with CHP as to weather conditions before coming - AND BE SURE TO CARRY CHAINS!!! See you next month.....Sierra Sue

CHECKS DISBURSED MARCH 1996 (REC. ASSOC.)

7749	DALE SMITH	P/R	\$ 536.13

ODD FELLOWS SIERRA RECREATION ASSOCIATION  
BOARD OF DIRECTORS MEETING - MARCH 10, 1996

Executive session was held 8:20 to 9:00 AM.

The Board of Directors meeting was called to order at 9:00 AM by President Edward Smith. All members present except Adams, excused.

MINUTES - The minutes of the 2/11/96 meeting were approved as printed except for the following corrections: Dale Smith received a salary adjustment for cost of living plus incentive from \$1,700 to \$2,000 per month to begin June 1, 1996.

MEMBERS BEFORE THE BOARD - 1. Randy Tolbert and son-in-law Johnnie Barger with Linda Kile and partner concerning difficulties with the driveway fronting their properties. Each property owner is to submit a plan to solve the problem. 2. Serge Peluso - difficulties involved with paving his driveway. Difficulty was resolved. 3. Felix Romo of Sonora Insurance - Discussion of liability insurance. MSC that the Insurance agent examine our Park Rules with respect to ATV operations to determine our exposure to liability. He will report back in April.

CARETAKERS REPORT - Plowed snow!! Also discussion on Road repair and equipment update.

CORRESPONDENCE - 1. Pacific Bell - Bill for gate installation. 2. BSA - Insurance certificate. 3. Tim Tate - letter to Paul Jones on timber harvest. 4. Requests for gate passes (keys); These will be automatically sent according to rules set at the annual meeting. The Board has been working on the policy of a specified number of passes for each member with a charge for extras. 5. Donations for fish derby from Ben Hunter and Mr. & Mrs. Nelson and other anonymous donors at the dinner. The Board wishes to thank all those who donated for that cause. 6. P.C. Ferguson - road closure at the end of Rebekah. It is being taken care of. 7. Bill Zoslocki - Answer to fine imposed. 8. Cimarron Service Corp. - progress on foreclosure.

COMMITTEE REPORTS WATER - Greene - Water use: 467,000 gals. There is a need to replace the piping in the Sarah Circle area. This is to be considered in the late Spring or Summer.

ROADS - Morrison - There was some discussion on what road repair will be needed next summer and what help will be needed as well as what they should be paid.

BUILDINGS - Hawke - The new sink is in. There needs to be some modification on the faucet situation. Several suggestions were made to improve the rinsing cycle, some to be implemented. MSC to rescind the February motion on stove, chimney lining and contractor. MSC to limit the stove and chimney cost to \$1800, to replace the existing stove with a contemporary stove and to sell the old stove.

TIMBER - Adams - No report

RECREATION - Bonner - There were 62 at the dinner last night. All had a good time. MSC to include fish derby receipts and expenses as a budget item separate from other recreation items.

HEALTH AND SAFETY - Coleman - 1. We had a group of persons who were former renters return to use the park facilities. They had to be told to leave. 2. A 4WD vehicle was driven off Wheeler Road in the Meadow above David-Rebekah. The owner will be notified that he/she is responsible for cost to repair ruts that will cause erosion damage. 3. The caretaker had difficulty in trying to have 6 vehicles (belonging to renters) moved from the road where they were interfering with snow plowing. Since we can only deal with the owner, he will be fined for the incident.

EQUIPMENT - Smith - There is need for chains for the truck and tractor. There was discussion on cost of renting the chipper for cleanup of slash left from the logging operation. It was decided that it would be cost-effective to purchase the chipper. MSC to purchase the chipper by a vote of 5 to 1 (Green opposed, Zobel abstained). The motion also included that the money be taken from the Timber harvest profit.

FINANCE - Zobel - Bills for March total \$ 7,988.46. MSC to pay the bills.

OLD BUSINESS - none

NEW BUSINESS - Foreclosure papers to be prepared - President to check on conditions that must be investigated and met. The 5-acre parcel is in the process of final surveying depending on the weather.

No further business appearing, the meeting closed at 1:05 PM.

The next meeting will be Sunday, April 14, 1996 at 9:00 AM.

Respectfully submitted, Bill Kilgore, Secretary
