Subject: Current Road Conditions in the Park 4-16-18

Hello,

I wanted to take a minute to thank everyone who has responded in such a positive way to these road update emails. We have had many responses indicating these emails are helpful and expressing appreciation. I shared those sentiments with the Board at our last meeting and they were appreciated.

Here we are in the middle of April and we just received 4 inches of snow. The roads are plowed and open for access. It is supposed to get very cold tonight so they will become icy and potentially slick. Please be careful. I don't know how long the snow will last as the temperatures will get warmer as the week progresses.

Have a great week.

Wanda
