Subject: Notice of Road Work
Date: Sunday, October 14, 2018 8:04:17 PM

Road work on East Jordan will begin **Tuesday, October 16.**

The road will be closed at the split blocking the East bound road (lower road). The upper part of the split (West bound road) will be open to traffic **BOTH DIRECTIONS** until the work is completed. **Because this road is narrow, take extra care when driving on this road and remember there could be vehicles coming the opposite direction.** Years ago this was the only road we had to access the Jordan Way East and the roads that come off that road.

Signs will be posted as needed while the work is in process. **Do not attempt to drive through the work area!**

This work will impact: East Jordan, Beersheba, Abraham Ave. and Moses.

Thank you and have a great week.
