Subject: PG&E Update/Next Board Meeting/Holiday Party Save the Date
Date: Thursday, October 10, 2019 11:34:03 PM

Hello,

The power has been off in the Park since yesterday. The most current information I have been able to find indicates that PG&E is in the process of inspecting their lines. Once that process is complete and necessary repairs made (if there are any) our power will be restored. There is no commitment from PG&E about when that will be. It could be as soon as tomorrow or a day or two later. Please contact PG&E for the most current information.

We wanted to let you know that the next board meeting will be held on November 9, 2019 at 9:30. Everyone is welcome to attend.

Save the date: We will be having the Holiday Party on December 28th. We will provide more information regarding the party as the time gets closer.

Have a great weekend.

Wanda
