***Jesse Worsham is exploring an opportunity to attract a new internet service provider to the Park. Part of the proposition is to indicate to that provider the level of interest in the community. At no cost or obligation to you at this point, if you'd like to learn more about what is on offer, please respond directly to Jesse at [jrworsham57@gmail.com](mailto:jrworsham57@gmail.com) by September 25. He needs to know your name and address. Your address will be provided to the company but not your name or any other personal information, i.e., email address. More information will be provided as soon as it is available. Thanks -***
