Subject: Updating Email List
Date: Sunday, February 11, 2018 10:25:21 PM

Hello,

It's time to update our email list. To do this I need your help. You do not have to be a property owner to be on the email list; we have many email addresses on the email mailing list who are owners of property, related to owners, rent cabins, or who are just interested in the Park.

I do need to know which email recipients are connected to which properties, in order to reach the right people in an emergency (water leak, tree through the roof, etc.). In an effort to update and organize my email list I need you to answer a few questions. Please just click on "Reply" and then fill in the answers and send it back to me. While we are at it I would like to obtain current street addresses and phone numbers for all property owners.

Thank you so much for your assistance.

Wanda Lenhardt
Secretary

My name is : _____

- _____ 1) I own property in the Park.
- _____ 2) I am related to or know someone who owns property in the Park.
- _____ 3) I rent property in the Park.
- _____ 4) I am not affiliated with property in the Park but I would still like to receive emails containing Newsletters, etc.
- _____ 5) I would like to be removed from the email list.

Select one:

The address of the property I own is: _____

(List all properties if multiple are owned) _____

I current rent property and that address is _____ . My phone number is _____

I don't own property but have relatives or friends who do . The owners of that property are _____

and the address is _____.

If you do not own property and are not related to or are friends with someone who does, what is your connection to Sierra Park?

Property owners: What is your current mailing address?

What phone number should we use to contact you should the need arise?
