April 1997

## Farewell to Al Dean

Our park's oldest resident, Al Dean, passed away Monday evening, April 14th. Al was 94 years old, and up until last year was still cutting wood and leading an active life. His wife, Faye, died last year as the result of injuries sustained in an automobile accident. Al contributed a great deal of labor and know-how to the park. Their memorial service will be held May 3, 1997, at 11:00 a.m. in the recreation center. Instead of flowers, the family requests a donation to the park to buy trees to be planted in their memory.
