

MOYLE EXCAVATION, INC.

General Engineering Contractors

Lic. #599974

We at Moyle Excavation would like to bring to your attention our recent acquisition of T.C. Striping. We feel that expanding our capabilities will allow us to provide a better more complete service at a competitive price. We are very excited about our new possibilities.

We are a locally owned and operated company that has been providing services to Tuolumne County for twelve years. We offer small house pad and septic development to large commercial subdivision projects including grading, utilities installation and now paving, sealing and striping.

We would like to let all of T. C. Striping's clients know that we are looking forward to doing business with you and will be contacting you in the near future regarding pending contracts.

Please feel free to contact us with any concerns or questions.
