Work Description: Pavement reinforcing fabric; asphalt overlay; fog seal
Physical Address: Odd Fellows Park, Long Barn, California

GEORGE REED, INC. proposes to furnish all labor, equipment and material to perform the following:

Base Bid:

- Place reinforcing fabric and pave one area next to clubhouse with 2" average compacted thickness asphalt concrete (approx. 1,008 s.f.).
- Place reinforcing fabric and pave the beginning of Ruth with 2" average compacted thickness of asphalt concrete, 215 l.f. from edge of Wheeler Road (approx. 7,570 s.f.).
- Patch area on Jonathan damaged by snow plow.

Lump Sum $63\frac{1}{2}/sq\ ft$ \$ 11,100.00

DN
Init.

Optional Adds:

- Place reinforcing fabric and pave Ruth from the section above to Esther. Although the roadway of Ruth may be wider, new pavement will be 20 ft. maximum width with a taper on one side and a vertical edge on the shoulder. Approx. 15,987 s.f.
- Place reinforcing fabric and pave Bathsheba with 2" average compacted thickness asphalt concrete (approx. 6,117 s.f.).
- Fogseal Jordan East, Jordan West, Moses, Miriam, and Clubhouse parking lot. Approx. 144,400 s.f. (Cost based on sealing all areas in one day, with traffic control by Odd Fellows Park).

Lump Sum $63\frac{1}{2}/sq\ ft$ \$ 11,000.00
