## **BOIL WATER NOTICE**

Este informe contiene información muy importante sobre su agua potable.  
Tradúzcalo o hable con alguien que lo entienda bien.

### **BOIL YOUR WATER BEFORE USING**

***Failure to follow this advisory could result in stomach or intestinal illness.***

Due to the recent event loss of pressure in the system, the California Department of Public Health in conjunction with the Tuolumne County Health Department, and Odd Fellows Sierra Recreation Association Water System are advising residents of Odd Fellows Sierra Recreation Association to use boiled tap water or bottled water for drinking and cooking purposes as a safety precaution.

**DO NOT DRINK THE WATER WITHOUT BOILING IT FIRST.** Bring all water to a boil, **let it boil for one (1) minute**, and let it cool before using, or use bottled water. Boiled or bottled water should be used for drinking and food preparation **until further notice**. Boiling kills bacteria and other organisms in the water.

We will inform you when tests show that water is safe to drink and you no longer need to boil your water. This will be provided by a second notice cancelling this boil water notice.

For more information call:

Water Utility contact: Del Wallace, Water System Contact, (209)586-4065.

California Department of Public Health – Drinking Water Field Operations Branch- District Office at [(559) 447-3300].

Local Environmental Health Jurisdiction: [Tuolumne County at (209) 553-5633].

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
