Expiration of Permits

Every permit issued shall become invalid unless the work on the site authorized by such permit is commenced within 180 days after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced. The building official is authorized to grant, in writing, one or more extensions of time, for periods not more than 180 days each. The extension shall be requested in writing and justifiable cause demonstrated.

California Building Code 2007 Section 105.5

INSPECTION REQUEST INFORMATION

Inspection Recorder Number

(209) 533-5940

Beginning Monday, August 4, 2008, the inspection call-in deadline will be 3:00 p.m. the day prior to the inspection date requested. All inspection requests received after 3 p.m. will be schedule one day further out.

The Community Development Department Division of Building and Safety is equipped with a 24 hour Inspection Request recorder. The recorder is the only way requests for inspections will be accepted. When you call the recorder, you will be asked for specific information so that we can make the proper inspection. The information must be complete and correct; otherwise the inspection may not be made.

The information needed is as follows:

1. Owner's name (please give first and last name, and spell the last name)
2. Site Address to property
3. Permit Number
4. Assessor's Parcel Number (AP Number)
5. Type of Inspection desired

The inspection requests will be pulled from the recorder at 3:00 p.m. daily and are scheduled for the following day. Please be advised that the recorder is set up for Building Inspections only. If for some reason you want to leave a message for your inspector, or have questions you may call the Community Development Department, Division of Building and Safety, at (209) 533-5633, between the hours of 7:30 a.m. to 3 p.m. and leave a message on the inspector's voice mail.

NOTE: The work must be completed and ready for inspection prior to calling for the inspection. If you call and your project is not ready, a re-inspection fee will be charged.

Specific inspection times may not be requested; such requests left on the recorder will not be honored.

APPROVED PLANS AND PERMIT MUST BE ON THE JOB SITE AT THE TIME OF THE INSPECTION!!!

REFUNDS: The Building Official shall not authorize refunding of any fees paid except on written application filed by the original permittee not later than 180 days after the date of fee payment.
