Re: Response to your April 4, 2017 letter "Refund Request and Ditch and Culvert Cleaning Request"

Dear Mrs. Ordwein,

I have already sent you a Demand Letter regarding the money collected during the closing of buying the property on 25304 Rebekah. Please refer to that letter regarding the money.

Regarding the water and culvert issues: I made no references to any of these issues. You have me confused with Ron Souza's discussion of a potential problem. I made no request what so ever.

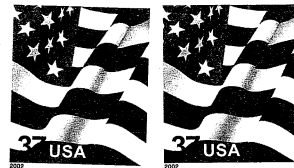

Finally, the demeanor of the last paragraph of your letter was offensive. Leaving messages at the number at the top of your letter was not a known option. Having received your letter, I am now aware of an alternate contact method and will use it for non-time critical communications.

Regards,
