Re: Response to your April 4, 2017 letter "Refund Request and Ditch and Culvert Cleaning Request"

Dear Mrs. Ordwein,

I have already sent you a Demand Letter regarding the money collected during the closing of buying the property on 22101 Ruth. Please refer to that letter regarding the money.

Regarding the water and culvert issues: This was a notice that water could damage the road and not a request of any type. I did suggest you attend to it. This was a suggestion and should not to be construed as request.

Finally, the demeanor of the last paragraph of your letter was offensive. Leaving messages at the number at the top of your letter was not a known option. Having received your letter, I am now aware of an alternate contact method and will use it for non-time critical communications.
